

HOW SAFE

DO YOU FEEL IN YOUR CHURCH?

Respect for life is no longer an issue for far too many.

The targets of choice in many instances are faith-based institutions.

Many available “solutions” **only** deal with how to handle the fallout of the incident or how to respond when it is happening.

POLICE LINE DO NOT CROSS

Let retired Secret Service Agents bring more than 50 years of the Secret Service protective experience and give you expert security planning and consultations to help prevent violent behavior.

Church Security Insights has unique insights to the needs of churches and faith-based institutions, and it provides pastors, leaders and lay-workers with violence awareness training and key prevention strategies that go far beyond the routine!

We will fully investigate topics, such as:

- » **RECOGNIZING VIOLENT BEHAVIOR**
- » **PERIMETER SECURITY AWARENESS**
- » **ASSESSMENT TECHNIQUES**
- » **CRISIS PLANNING**

...and much more!

BE ON THE CUTTING EDGE OF AWARENESS AND SAFETY!
